

Mythos 75

Smooth, Fresh & Perfect

Designed with a completely innovative knowledge, Mythos is one of the most powerful on-demand grinders on the market today.

Very original is the position of the grinding group tilted by 60° from the vertical, to allow a perfect delivery of the ground coffee. A grinder that expresses the spirit of a pure grind: smooth, fresh and perfect.

It is equipped with a particular system of pressing dynamometric lever and telescopic piston, for equal coffee distribution.
