

# Comfort Flow™ No. 420 - Wet Area Anti-Fatigue Mat

## Features and Benefits

- Comfort Flow is light for easier handling and is fully launderable.
- Ideal for wet or dry areas.
- It provides excellent anti-fatigue properties for added employee comfort.
- Perfect for food processing areas, machine shops and heavy industrial applications.
- Constructed of 100% high density closed cell nitrile rubber cushion, it is far superior in grease and oil resistance.
- Anti-microbial treated to guard against odours and degradation.
- Its low profile and slip resistant surface reduces slip and fall accidents.
- The non-skid backing keeps the mat in place.
- Green friendly. 100% Nitrile Rubber is 10% recycled content.
- All Comfort Flow mats are certified slip resistant by the National Floor Safety Institute.
